Dear Friends of MUW,

[Stebbins Spectacular Painting](#) is new to the MUW family. We received a phone call last year from Stephen Drotts at Stebbins looking to help out the community. He offered a free paint job to any agency that was currently in need. Craig Henderson, Director of [Housing Stabilization at Southwestern Community Services](#) jumped at the opportunity to have a few rooms in one of his shelters painted.

Our thanks to Stebbins who provided labor, [Sherwin Williams](#), who donated the paint, and Southwestern Community Services for making this opportunity a reality!

Stebbins Spectacular Painting in Marlborough has been brightening the area for over 19 years. Tim Stebbins, the founder, grew up in New Hampshire and currently lives in Keene with his family. This locally owned, family business has expanded and now serves not only New Hampshire but also Southern Vermont and Northern Massachusetts.

Tim Stebbins is active in the community and wants to give back. He chose MUW because of its wide reach and support of so many nonprofits. He said:

We invite you to consider Monadnock United Way in your estate planning so your generosity to this community will continue beyond your lifetime.

Donors who include Monadnock United Way in their estate plans are recognized as members of the Legacy Society. For more information, visit muw.org or contact Katie Gardella at katie@muw.org or 352-4209 ext. 27
