Dear Friends of MUW,

I'm thrilled to announce MUW's new annual campaign theme: **United We All Win!** Over the last few years, we have seen our community come together to help those adversely affected by COVID. Time and again, we have seen the caring power of community overcome daunting obstacles and deliver help to those in need and make the lives of children, families, and individuals in our region better. When we Unite, good things happen and anything is possible!

Our goal this year is \$1,490,990 and it is crucial that we hit the goal to fully fund our partner agencies and community building initiatives.

To help us reach our goal, we have the help of three excellent General Campaign Co-Chairs! All have different skills and backgrounds but one thing in common: their commitment to the community.

Chris Coates, County Administrator for Cheshire County Chris has served as a state representative, a member of the Keene Board of Education, and as a Keene City Councilor. He has a long history of nonprofit support and service.

Andrew Connell—C&S Wholesale Grocers, Senior VP Center
