United We All Win

2022 Annual Campaign

An Update from MUW President Liz LaRose

Follow us on our social media!

Dear Friends of MUW,

I am delighted to share with you the fantastic turnout we had for last week's 2nd Annual Flash Mob! Many of you, our supporters, agencies, and neighbors, joined us to create awareness in the community of this year's **United We All Win** campaign. I want to thank everyone who participated and those who cheered us on that evening. My special thanks to our sponsor, [TD Bank](#), and for Elise Valentine of [The Peak 101.9](#) for providing music.

Join the Club and Make a Difference! When you join MUW's **Community Builder's Monthly Giving Program**, you are putting food on the table for children and families, safely housing community members, and getting children ready for the best possible start in life! Make A Difference! Join The Club! It's fast, easy, and secure.

SAVE THE DATE – 2022 CAMPAIGN KICK OFF

Please join me and this year's General Campaign Co-chairs, Chris Coates, Cheshire County Administrator, Andrew Connell, C&S Wholesale Grocers, and Louise Danforth, Monadnock Community Hospital, for the official 2022 campaign kick off on Tuesday, September 20 at 5:30 PM. Take this opportunity to learn about the **United We All Win** campaign goal of \$1,490,990 and how achieving it will enable MUW to have a significant impact on Children, Education, and Financial Stability in the Monadnock Region.

We'll celebrate last year's campaign success and present community awards for outstanding contributions to the 2021 campaign. We will also present the 2nd Annual Ken Jue Award. This is our highest honor and is presented each year to an individual, business, nonprofit, or community-based initiative that exemplifies the qualities embodied by Ken - commitment to community, deep collaboration, and dedication to inclusion. You will not want to miss this year's presentation.

MUW DAY OF CARING – MONDAY, SEPTEMBER 30

The Day of Caring, an exciting day of volunteerism across the Monadnock Region, is back this year! Out of all of MUW's events and activities, this is my personal favorite because it enables so many people and organizations to join together to make an important contribution to our community.

MUW is seeking teams of volunteers to participate and accepting proposals for half-day volunteer projects from non-profits through September 16. Learn more by contacting [Kate Cote](#).

Summer is (almost) over and as fall begins, many of us have turned our attention back to learning, working, and serving together. It's the perfect time to engage with our neighbors and ramp up our **United We All Win** campaign!

Sincerely,
Liz LaRose, President

P.S. Don't miss MUW's Ellen Taetzsch's discussion of the newly formed Early Childhood Region 1 on the Dan Mitchell Show, Wednesday, September 21, at 8:10 am. To learn more about this program, watch [this video](#)!
